

ARCHEOLOGICAL ASSESSMENT.

DENR-Region 6 Executive Director Adeluisa G. Siapno discusses with two archeologists from the National Museum, Giovanni Bautista and Antonio Peñalosa (in blue shirts), the various initiatives being implemented by the department to protect and manage the country's caves and their resources. The two experts paid a courtesy call on Siapno relative to their plan to conduct archeological assessment of caves and other historical sites situated in the northwest portion of the Panay peninsula. Also in photo is DENR-Region 6 Technical Director for Protected Areas Forester Damaso L. Fuentes (back to camera).
