

FREE PATENT DISTRIBUTION IN TARLAC CITY

An unidentified resident of Tarlac City receives a free patent from DENR Region 3 Executive Director Maximo Dichoso of Department of Environment and Natural Resources (DENR). She is one of 153 landless farmers in the city that benefited from the land distribution and poverty alleviation program of the Aquino administration, covering more than 61 hectares of agricultural lands inside the Paquillao Resettlement Site in Sitio Care. Also in photo is Region 3 Technical Director for Land Management Tirso Parian, Jr. (to Dichoso's left).
