B. Response to Query/Clarification:

QUERY/CLARIFICATION	RESPONSE
Based from your recent bid bulletin, you have considered or granted the request of software based HCI infrastructure both for leaders and visionaries in the recent Gartner Magic Quadrant encompassing all the brands including the bottom players that are only starting to roll up and gearing towards maturity and stability. May we humbly request that you consider only the ones that are in the Quadrant leaders both for Hardware and Software HCI? This way your agency will have high confidence of deploying and implementing HCI with future proof technology.	Per the end-user and some members of the BAC-TWG, they are firm on their decision on considering Quadrant leaders on Software HCI only. As HCI software belonging to this quadrant have partnership also with major hardware vendors such as Dell, HP and Lenovo, hence, request cannot be given due consideration.

This Supplemental/Bid Bulletin No. 2 shall form part of the Bidding Documents. Any provisions in the Bidding Documents and Supplemental/Bulletin No. 1 inconsistent herewith is hereby amended, modified and superseded accordingly.

For guidance and information of all concerned.
